

Vanguard CFS Freight Services

VANGUARD
logistics services

What are the 3 biggest gaps between your current CFS/Warehouse and what you need?

Your business is expanding and the playing field is changing on a daily basis. The rails are delayed, the carriers don't want their equipment beyond the port, loss of visibility, and cost creep are putting you in a reactionary position far too often.

The answer is Vanguard Logistics Services.

With over 1.2 million square feet of owned and operated space we can meet your needs:

- Stripping
- Consolidation
- Trans-loading
- Short / Long term Storage
- Automobile loads
- Distribution (Bonded / Expedited / Standard)
- Pick / Pack
- G.O.

All Vanguard warehouses are fully Bonded.
All Vanguard warehouses use the latest bar coding and EDI technology.
All Vanguard warehouses are CTPAT certified.
All Vanguard warehouses and employees are Hazmat certified.
All Vanguard warehouses are staffed with experienced Vanguard Employees and Management.

All activities and documents that we provide for our customers are LIVE on the web, giving you complete visibility to every aspect of your shipment.

Our global footprint, and the emphasis on international freight handling has allowed us to develop the nations most comprehensive IPI network, utilizing motor based solutions wherever possible to gain the fastest transits and safest handling of your cargo.

Vanguard has been the leader in port distribution and export services over the past 30 years. We have made a science of freight handling and distribution, and your business will benefit from our experience.
