

# Vanguard Trans-Pacific East Bound Service (TPEB)

Global Freight Solutions

Vanguard Logistics Services announces Trans-Pacific East Bound service for Full Container Load (FCL) cargo. As an extension of our global consolidation strength to and from the United States, we are now accepting FCL shipments from Asia to all U.S.

- Purchase Order tracking capabilities
- Vanguard offices throughout Asia, each with skilled and knowledgeable staff
- Vendor maintenance and relationships at origin
- High volume contracts with numerous steamship lines, presenting the ability to secure competitive and stable rates
- Rapid documentation flow through Vanguard's global operating system
- Fully supportive Vanguard USA offices, working to ensure on time deliveries both at origin and destination
- Container track and trace
- Warehousing, distribution, and store door deliveries

## CONCLUSION:

Vanguard Logistics Services provides and delivers a complete understanding of customers' supply chain designs. Vanguard's professional staff gives the highest level of support with the trust that we are striving for the importers' success. Please contact Vanguard USA for rate inquiries and related information.
