

Vanguard Trans-Loading Services

VANGUARD

logistics services

www.VLS-Global.com

Vanguard Logistics offers a competitive advantage with our trans-loading service. We can help you to avoid delays and penalties beyond the port of arrival, lower your overall cost, and offer more flexibility and visibility. All containers are stripped within 24 hours, which allows the cargo to be available for immediate transfer. Vanguard offers complete LTL distribution, straight loads and domestic air throughout the continental USA. All the details of your shipment can be tracked on our website with live status updates.
