

Vanguard Logistics Services!

We are a major, global provider of supply chain services focusing on ocean freight consolidation and distribution services. Vanguard operates through and supports multiple NVOCC brands worldwide including **Conterm Consolidation Services, Confreight Group, Direct Container Line, Brennan International Transport, Ocean World Shipping (OWS), and Box Consolidators.**

As each brand name has its own unique strengths in the marketplace, they retain a separate identity and are focused solely on customer service, sales and marketing.
